Import of oil

885. PROF. C. LAKSHMANNA: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) the increase in the quantity of oil which is expected to be imported during the year 1987-88 and the total foreign exchange burden on that account; and

(b) the measures being taken by Government to reduce the quantity of imported oil?

THE MINISTER OF STATE OF THE MINISTRY OF PETROLEUM AND NATURAL GAS (SHRI BRAHM DUTT): (a) It is expected that the quantity of crude oil to be imported during current year would be about two million tonnes higher than that in the previous year. It is difficult to estimate exactly the total foreign exchange involved but it is likely to be higher as the general level of price is higher.

(b) The important steps, among others, taken to reduce imports are to intensify exploration efforts, curb consumption of POL, promote conservation through various measures etc.
